Board

Introduction

This summary highlights some of the work undertaken by the Sandwell Safeguarding Adults Board 2017-18. The Board ensures all partner organisations work together to prevent abuse and to protect people if they are harmed or exploited.

During 2017-18 there was a total of 545 Safeguarding enquiries received by Adult Social Care. Of the customers using services living in Sandwell 91.0% of them said that the care and support services they receive helps them to feel safe.

There have been many developments and achievements in the last year and details can be found in the full Annual Report. For a copy please contact: Lisa Roberts on **0121 569 5471** or view on our website:

Board Campaign

The current campaign 'See Something, Do Something' and the short film used to further promote this campaign, have improved everybody's understanding of safeguarding. This film is used as a standard tool in all of our training and has been adopted and used widely by our partners.
