Sandwell Safeguarding Adults Board Annual Conference

The annual SSAB Prevention Sub Group conference took place on 9 October 2018 at Brasshouse Community Centre. The conference was extremely successful with a great attendance. Outcomes for the day were to celebrate Prevention work within the borough, and for delegates to contribute, participate, learn and share information.

Councillor Anne Shackleton opened the event followed by Chair of the Prevention Sub Group - Kathryn Wood who spoke about the work of the Prevention sub group.

There were some fabulous presentations including Brian Pearce from West Midlands Fire Service talking around the vulnerable persons officer role, Nick Laws from Public Health talking about the Sandwell Referral Hub. Amanda Lee from South Staffs Water Community Hub delivered a presentation on the community engagement work they are doing. Finally the Office of the Public Guardian gave a fantastic presentation regarding Power of Attorney which was really informative.

Our market place included information stalls from Sandwell Advocacy, Sandwell Vision 2030, St Alban's, Crossroads, Trading Standards, Healthwatch, Kaleidoscope, YMCA—open door project, Ideal for All and Domestic Abuse Strategic Partnership.

Fabulous day, well attended and extremely informative - here's to the next one! Thanks to everyone who came

Hello Colleagues

I am pleased to join the Sandwell Safeguarding Adults Board as the independent chair and look forward to working with the team and board members in the coming year. The work that everyone does is so important to helping people feel safe and valued and I look forward to hearing over the coming year from front line staff and from people who use services so the work of the Board is real and helps make a difference.
